Dear Linda,

Subject: Bras for PNG

This letter serves to formally acknowledge correspondence between the YWCA of PNG and yourself regarding shipment of BRAs for PNG through Uplift Project.

The YWCA is pleased to participate in this project as we believe it will greatly benefit women all over PNG, more particularly those in rural areas. The YWCA plans to use our existing networks such as the Literacy Project and Adolescent Peer Education Project which works with out of school youths as a vehicle for the bras to be distributed to those in need.

To ensure smooth transition of the project, the YWCA National Office will coordinate the project. Below are contact persons that can assist in this project:
