## **Story about the village**

*The items were distributed to two different villages in Malaita province. The villages are Fouia and Gwou'ulu villages in Northeast Malaita.*

### ***Village information:***

#### **1. *Fouia Village-Distributor-Delight Tefekome***

*The village is one of the largest villages in the Baegu/Asifola constituency with an estimated population of 900 people excluding those residing in Honiara.*

*Feedback from the distributor was that there were also other women from the neighbouring villages that benefitted from the distribution as well. These were women from nearby villages like Sulufou Island, Ferasubua and Adagege.*

*Also the women request more cartons of similar kind to be given to them should there be another opportunity.*

*There were also other items requested like;*

- *Wheel chairs for the village clinic*
- *Children's clothes*
- *Schools books for the school library*

#### **2. *Gwou'ulu Village-Distributor-Selwyn Faoka***

*Gwou'ulu village is located in the Lau/Baelelea Constituency with an estimated population of 800 people. It is one of the big villages in the constituency as well.*

*Following the distribution in the village, there were other items requested by the villagers as well. The items include:*

- *Chairs for kindy class*
- *Cooking utensils*
- *Assorted Clothing for men*
